## Part II: June Business

### A. Proposed Legislation (requiring, for approval, a majority of the votes in each House of the Ziu)

### **37RZ7: The Cruel Joke at Pengöpät's Expense Act**

**WHEREAS** it is traditional to regularly introduce legislation to transform the beloved but chilly territory of Pengöpäts into a province, and

**WHEREAS** penguins are delicious when roasted or in "jerk penguin" form, and

**WHEREAS** this legislator manages to be both wholly in favor and wholly opposed to his own legislation, and

**WHEREAS** there are no residents of the territory to be hurt by this regularly scheduled false hope, and

**WHEREAS** the Organic Law only explicitly states this is impossible a little, not really a lot,

**THEREFORE**, the territory of Pengöpäts is hereby established as the province of Pengöpäts, with all of the rights and privileges due a province of the Kingdom of Talossa.

Uréu q'estadra sã:

Alexander Davis Senator (Maritiimi-Maxhestic)

Baron Hooligan MC (RUMP)

Nicola Casalmach Senator (Mussolini)

### **37RZ8: The Clipper Act**

**WHEREAS** the Conservative Loyalist Party served the country loyally in her most needed hours, and

**WHEREAS** we must always remember loyal service and reward it appropriately, especially such heroics, and

**WHEREAS** the CLP or "Clippers" stepped down from power in the manner of a Cincinnatus,

**THEREFORE** there is hereby established a new decoration, to be known as the "Medal of Cincinnatus", awarded by the King in recognition for acts of extraordinary Talossanicity in the face of opposition. Recipients of this Medal would be entitled to follow their names with the honorific "Cin.".

Uréu q'estadra sã:

Alexander Davis Senator (Maritiimi-Maxhestic)

Xhorxh Asmoûr MC ( RUMP)

Mick Preston MC (RUMP)

## **B. Proposed Amendments to the OrgLaw (requiring, for approval and transmission to the electorate, a two-thirds vote in the Cosã and a majority of the Senäts)**

### **37RZ9: Seat Security for Legislators Named Temporary Regents Amendment**

**WHEREAS**, under the current provisions of the Organic Law a Regent is not permitted to hold any seats in the Senats or the Cosa during his or her regency

**WHEREAS**, should the King be forced to absent himself from the affairs of state for a short while he will likely seek to name a temporary Regent from among the ranks of the most active citizens, which certainly—despite some occasional evidence to the Cry—includes members of the Senats and the Cosa

**WHEREAS**, it seems unjust to "reward" those legislators who answer the call of serving their King as temporary Regents with the loss of their legislative seats

**WHEREAS**, the King himself is appalled by this prospect of potential injustice

**THEREFORE** the Ziu hereby adopts the following Amendment to the Organic Law, and transmits it to the voters for their ratification:

Article VIII, Section 6 is re-created to read:

Except as otherwise provided by law, anyone eligible to vote in Talossa is eligible to hold any governmental position, including Member of the Cosâ. However, neither a reigning King, nor his Consort, nor a Regent during his regency shall hold any seats, either in the Cosâ or in the Senäts. **But if a member of the Ziu is appointed Regent, and does not wish to resign his or her seats, a temporary replacement shall be appointed who shall occupy the Regent's seats until he or she is no longer Regent or his or her term of occupation of those seats expires. The method of appointing the temporary holder of the Regent's seats shall be specified by law.**

Uréu q'estadra sâ: Danihél Lauriéir, MC (DOTT)

### **37RZ10: The Finish the Finnish Act (Amendment)**

**WHEREAS** Article II, Section 10 of the Organic Law specifies that the motto of our nation is the Finnish translation of the English language phrase "A Man's Room Is His Kingdom", and

**WHEREAS** Article II, Sections 8 and 10 of the Organic Law specify that this motto is "Miehen Huone on Hänen Valtakunta", and

**WHEREAS** it has come to the attention of the nation, thanks to fellow-citizens fluent in Finnish, that the translation is not entirely correct, and

**WHEREAS** by "not entirely correct", we mean that it should be "Miehen Huone on Hänen Valtakuntansa", and

**WHEREAS** being entirely correct is better than being not entirely correct, and

**WHEREAS** His Majesty's Royal Archivist has been unable to determine any historical reason for the use of a mistranslation as our national motto, and

**WHEREAS** this leads us to believe that this was just an unfortunate error, and

**WHEREAS** errors should be corrected, now

**THEREFORE** while declaring its respect for the traditions and history of the nation, and sure in the knowledge that today's strong and proud Talossa stands as proof that a nation with a mistranslated motto has absolutely nothing to be ashamed of, the Ziu hereby approves the following amendment to

the Organic Law, and transmits it to the populace for ratification:

- The letters "nsa" are hereby added to the end of the word "Valtakunta" where it appears in Sections 8 and 10 of Article II.

**FURTHERMORE**, the Senäts and the Cosâ humbly request of His Majesty the King that upon the ratification of this amendment to the Organic Law, the Sovereign shall see fit to instruct His Majesty's household officers the Scribe of Abbavilla and the Squirrel King of Arms to expeditiously make appropriate modifications to the public literature and to the royal arms.

**ADDITIONALLY**, the Ziu hereby officially expresses its thanks and appreciation to the word "Valtakunta" for standing in for "Valtakuntansa" all these many years, and requests that consideration be given this word by Talossans everywhere, that they may perhaps find use for it within their daily conversations, perhaps as a part of our national language, for we, the Ziu, state that we wish this important word, which served this nation so well for so long and which now becomes a link to our mistranslated past, never to be lost.

### **37RZ11: "The Standing on His Own Legs" Amendment**

**WHEREAS** Senators are supposed to be elected on their own merits rather than that of their party;

**WHEREAS** if a Senator vacates his or her seat before the term is up, the successor should be chosen in the same way;

**WHEREAS** a Senator is meant to represent his or her province and cannot necessarily do so if appointed by the King rather than elected by the people of the province;

**WHEREAS** the provinces clearly need to be more active and involved in their own politics;

**WHEREAS** the election of their Senator is one way this is possible;

**THEREFORE** 37RZ4 The Commonly Associated Act is hereby repealed and Article IV, section 10 of the Organic Law is hereby amended to read (new text in bold):

Section 10: **If a Senator vacates his or her seat before the end of the term, the executive of the province shall appoint a Senator to sit until the next General Election or the next provincial election in that province, whichever is sooner, at which time the people of the province shall elect a Senator to serve the remainder of the term.** ~~If a seat becomes vacant during the term of a Senator, the King shall appoint a Senator to fill the remainder of the term. The King must appoint the individual designated to him by the political party with which the outgoing Senator was commonly associated. If this is impossible, the King shall appoint the individual designated to him by the executive officer of the province. If this is impossible, the King shall choose the Senator.~~  
**If the provincial executive fails to appoint a Senator within a fortnight of the vacancy, the King or his Cunstavál shall appoint the Senator.**
